SUDOKU Large Print Puzzle Book For Adults: 200 Easy Puzzles (Puzzle Books Plus)

Synopsis

Relax and enjoy solving these 200 Easy puzzles to stay sharp and have fun! This large-print 8.5" x 11" book won't fit in your pocket, but you can slip it in your briefcase, carry-on or beach bag and relax with a puzzle in your spare moments. You can also just tear out a page and take it with you. Two big puzzles on each page give you plenty of space to note candidates and sturdy paper holds up well to erasing. Extra wide center margins make it easier to solve the puzzles when you fold the book back. Large print on white paper is very easy to read (even in dim light). Each puzzle has one solution - provided at the back of the book. Go ahead and peek if you get stuck or want to verify your answer. Advance from Simple to Easy puzzles as you improve and gain experience. BONUS: 10 Mild difficulty puzzles are included to see if you are ready for the next level Sudoku book of Medium puzzles. Get more than one book and arrange a friendly challenge! Contains 40 Simple and 160 Easy puzzles, plus 10 bonus Mild Sudoku. If you were misled by other books with impossible Sudoku puzzles labeled "easy" or beginner puzzles called "moderate," we feel your frustration. What is "easy" for one person can be a serious challenge for another. Because there is no official Sudoku grading standard, you have no way to compare puzzles from different authors. For example, an easy puzzle in a book is often called moderate or hard in a newspaper, and categories are not precise. To help you confidently select puzzles at the level you want, Puzzle Books Plus is committed to using a consistent grading standard for Sudoku books by Kat Andrews. We determine difficulty by the logic techniques needed to solve the puzzle. Look inside the book to see the logic techniques used for Easy Sudoku.

Best Sellers Rank: #42,898 in Books (See Top 100 in Books) #16 in Books > Humor & Entertainment > Puzzles & Games > Sudoku

Customer Reviews

Kat Andrews loves solving puzzles. As a child she looked forward to getting each new issue of a popular kid's magazine just for the hidden pictures, mazes, word search and other brain teasing challenges. As an adult, Kat enjoys many different puzzles and games both for relaxation and to help maintain mental acuity. She creates puzzle books to help others stay sharp and have fun too.

Print was not large enough. I thought it would be the same size as the one we'd previously bought from you which was great
Dick Burgess

Love the large print so I do not need my reading glasses

This is a great, easy to read sudoku book! There's plenty of room for notes and a good number of puzzles.

I do easy Sudoku puzzles all the time and can't get half way through the first "simple" puzzle. A waste of my money. If I wanted to be frustrated, I'd take up golf.

I BOUGHT THIS THINKING IT WOULD BE LARGE PRINT SINCE IT SAYS LARGE PRINT AND HAS A PICTURE OF LARGE PRINTIT CERTAINLY IS NOT LARGE PRINT. IT HAS 2 PUZZLES ON EACH PAGE. ALSO, IT SAYS EASY PUZZLES, THEY ARE NOT EASY. FALSE ADVERTISING ALL OVER THE FRONT OF THE PAGE.
