Corporate Director's Guidebook

Synopsis

The Sixth Edition is being published in the wake of the 2007-2010 financial crisis and the resulting legislation, the Dodd-Frank wall street Reform and Consumer Protection Act (Dodd-Frank Act). As a result, this edition emphasizes themes arising out of the crisis and important to all directors, particularly those in public companies.

Customer Reviews

As a former business President, I used these to teach my external Board of Directors what their duties really were. As a volunteer with a local non-profit, i am again finding this useful to guide the Board. There is a UK Institute of Directors that offers a course of study leading to designation as a Chartered Director. We don't have a similar institute or course in the USA, but this Guidebook is an excellent substitute.
