Customer Reviews

What a delightful little book! I ballroom dance and reading was a good review of private lessons. Good advice written in an entertaining way. I've ordered for several of my dance friends. It is more than a card for essentially the same price. Well illustrated with an attractive cover. I loved the 'songbird' tip and must remember to refrain from it! Thanks Georgia

This charming little book is full of technical information and interesting facts about six different dances, but my favorite part is the section covering to-the-point tips on plain old good manners on the dance floor, for both partners. Thanks, Lance Laguna!

I'm sorry to say I never heard of Lance Laguna until I read this book. But boy, can he dance! Even though this book is very small, it has a lot of valuable lessons in it. I hope that one day I can take a cruise and learn from the Master himself!
