# Acharya's Religion 101 For Seekers

## Synopsis

These articles and rants come from a series written by D.M. Murdock/Acharya S in the 1990s, during her early years online, when the wild worldwide web was a new and strange playground for free speech. A number of these essays represent responses to emails she received—some of them not so nice. As such, her replies at times may be deemed surly, to be sure, especially as concerns the essay, "Proof that God Doesn't Exist," as one example. Acharya has nevertheless left it pretty much as is, just for your amusement, to serve as another, more "playful" aspect of her writing. As concerns the controversial subtitles in the chapter "RELIGION IS MENTAL ILLNESS," these are summaries of quotes by other books and authors. For example, in the Old Testament the Israelites are depicted as slaughtering whole groups of people in the Levant, including the Canaanites and Midianites, beginning some 4,000 years ago. Fast-forwarding to the modern era, Acharya has included a quote from Ralph Schoenman's "Hidden History of Zionism." The quote about Islam comes straight from the mouth of Iran's Ayatollah Khomeini, while commentary about Christianity is from James Haught's "Holy Horrors." Table of Contents Preface An Atheist Here to Destroy? RELIGION IS MENTAL ILLNESS GOD IS A PSYCHOPATH Christianity • The Roots of Anti-Semitism Judaism • 4,000 Years of Massacring Neighbors Slavery by the "Good People" Islam • God is a Psycho Religion is Mental Illness Buddhism All It's Cracked Up to Be? "Buddha" is a Compilation of Characters The Variants of Buddhism Mysterious Tibet Buddha's Character Proof That God Doesn't Exist, Prayer Doesn't Work And Religion Creates Psychosis My God is Bigger and Better than Yours! Does the Cosmos Know the Pope Exists? Does Anything Matter? All Pumped Up with Nowhere to Go Bibliography Endnotes

Spirituality > Atheism

## Customer Reviews

A nice series of essays detailing some reasons and thoughts on how the author thinks about religion in general and showing some obvious errors in what has been done in its name. A good quick read.

Well done! Easy to read, promotes thinking instead of conforming to the status quo of ambiguous "faith." Loved it!

Hard hitting response to religion in all its inanity. Pulls no punches in its analysis of "belief." Helped me think

God be with her!!! Sounds interesting to the convention from our purchase of the future books from her in my opinion.

For a long time before I knew what D.M. Murdock actually wrote about I was apprehensive about her work frankly because of her pen name Acharya S. See, I am coming out of Hindu belief and the word acharya means, "teacher in a line of disciplic succession" so I guess I was expecting new agey-ness. This is not the case and I love her commentary on the so-called historicity of Jesus. (If you can, download the conversation between her and Robert M. Price on "Point of Inquiry" podcast.

Do you really want to know the truth? This is the book for you. Short and enlightening.

Iv been reading Acharyas works since 2002.. Soon after seminary graduation....

Well done.
