Customer Reviews

I got this for my kiddo, to help him build confidence in his playing. The songs are very simple, but then it is for beginners. It gave him a challenge, with a reachable goal. Which is always a great thing when you're just starting out in music.

The music is what it is. Complaint is that the book is bound like a book, which means you can't open it on a music stand. You must either tear the pages out, or make photocopies.

I guess it is titled "Easy" solos for a reason.
